

WELCOME TO ENTERPRISE REALTY SERVICES

Since our founding in 1992, Enterprise Realty Services (ERS) has been providing customized real estate services to satisfied clients throughout the Washington/Baltimore region. Our executive team has over 80 years of combined commercial real estate experience covering all phases of the industry including acquisitions, dispositions, development, and financing. We have completed the sale of over \$1.5 billion of commercial real estate consisting of over 5,000 acres of raw land, over 20,000 residential lots, and 2 million sq.ft. of commercial space.

ERS is a highly specialized, results oriented, relationship driven commercial real estate services firm. Specializing in land and commercial properties throughout the Washington DC Metro area, the organization contains a unique blend of sales, engineering, legal, finance and development skills. Our extensive experience and proven expertise combine to provide the most reliable and productive real estate services available in the market.

ERS is widely recognized as one of the most professional, effective and knowledgeable Real Estate Services firm in the region. We operate with the highest integrity and have worked to establish and maintain our impeccable reputation as the best lands broker in the market.

In addition to land, we have extensive experience in the successful development and sale of retail properties from net lease pad sites and neighborhood shopping centers to big box power centers.
